CITY PLANNING MEETING IN MAY

(By Associated Press)

PITTSBURG, Pa., April 27.—The national conference on city planning, which is expected to attract about 300 engineers, architects and municipal experts from all sections of the United States and parts of Canada, will be held here May 9, 10 and 11.

IS A PARLOR

A NECESSITY?

(By Associated Press)

LONDON, April 27.—The question whether a parlor is a necessary part of a workingman's house has caused a heated argument among several of the local councils organized to promote building of such homes in the industrial centers of England.

Many women members of the councils argue that the workingmen's daughters need parlors to receive their callers during the coming period.

Those opposed declare that the workingmen's "best room" is little more than a cemetery for waxed flowers.

What a riddle it makes for Germany! Each is set out and never stopped to be reached Berlin.
